SUPPLEMENTAL DECLARATION AND PETITION

As a below named inventor, I hereby declare: that my residence, post office address, and citizenship are as stated below next to my name; that I verily believe I am the original, first, and sole inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled HIGH PRESSURE SUPERABRASIVE PARTICLE SYNTHESIS, the specification of which was filed on March 1, 2004, as THORPE NORTH & WESTERN, LLP Docket No. 00802-22268, and given United States Application No. 10/791,300; that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment specifically referred to above; and that I acknowledge the duty to disclose information which is material to patentability as defined in §1.56(a) of Title 37 of the Code of Federal Regulations.

I hereby claim the benefit of the earlier filed patent application(s) filed with the United States Patent and Trademark Office as:

Application Number 10/259,168 filed September 27, 2002, status pending;

Application Number 09/935,204 filed August 22, 2001, status issued;

Application Number 09/399,573 filed September 20, 1999, status issued;

Application Number 08/832,852 filed April 4, 1997, status abandoned;

and insofar as the subject matter of each of the claims of this application is not disclosed in the earlier filed pending application in the manner provided by the first paragraph of §112 of Title 35 of the United States code, we acknowledge the duty to disclose material information, as defined in §1.56(a) of Title 37 of the Code of Federal Regulations, which occurred between the filing date of the earlier filed application and the filing date of this application. I declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge

that willful, false statements and the like so made are punishable by fine or imprisonment, or both, under §1001 of Title 18 of the United States Code, and that such willful, false statements may jeopardize the validity of the application or any patent issuing thereon.

Wherefore, I pray that Letters Patent be granted to me for the invention or discovery described and claimed in the foregoing specification and claims, declaration, power of attorney, and this petition.

Signed at Taipei (City, State), this 22 day of Nov, 2007.
